It's once again the time of year to plan on attending and exhibiting at the **2017 Agri/Eco-Tourism Workshop** presented by the Nebraska Tourism Commission and its partners. This year's workshop will be held **Tuesday through Thursday, February 21-23, 2017 at the One Box Convention Center in Broken Bow, Neb.**

After last year's workshop, 150 attendees from across the state went home invigorated with many new ideas and great information. The 2017 workshop will again provide community leaders, landowners, farmers and ranchers with information on how to establish, finance, market and grow businesses with agri/eco-tourism.

We ask for your support to make the 2017 Agri/Eco-Tourism Workshop one that participants won't soon forget. With your valued sponsorship, we will be able to host a highly successful workshop that provides quality information and additional resources for individuals interested in developing or expanding an agri/eco-tourism business. Participants will come away with ideas for getting the most out of their land, new industry knowledge, fresh marketing ideas, greater financial opportunity and helpful contacts!

We're excited to team up with you on this top-quality workshop to further strengthen and grow our state's agri/eco-tourism industry. Please review the enclosed sponsorship form and indicate your commitment level for this year. We know you'll find it to be one of the most valuable networking opportunities that you and the workshop attendees will experience in 2017.

Thank you for your support!
