It's once again the time of year to plan on attending and exhibiting at the 11<sup>th</sup> annual **Agri/Eco-Tourism Workshop** presented by the Nebraska Tourism Commission and its numerous partners. This year's workshop will be held **Monday through Wednesday, February 22-24, 2016 in Grand Island, NE.** Monday will be Business to Business (B2B) tours. Tuesday's sessions will be held at the Raising Nebraska Building which is where the Sponsors / Exhibitors will set up. Wednesday's events will be at the Grand Theatre downtown Grand Island.

After last year's workshop, 150 attendees from across the state went home invigorated with many new ideas and great information. NTC is excited to have **MarketPlace Nebraska** merge with the 2016 Agri/Eco-Tourism Workshop to create a stronger networking opportunity in which to build community. The 2016 workshop will provide community leaders, small business owners, landowners, farmers and ranchers with information on how to establish, finance, market and grow businesses based on agri/eco-tourism and small business partnerships.

We ask for your support to make the 2016 Agri/Eco-Tourism Workshop, Your Resource MarketPlace, one that participants won't soon forget. With your valued sponsorship, we will be able to host a highly successful workshop that provides quality information and additional resources for individuals interested in developing or expanding their business. Participants will come away with fresh marketing ideas, greater financial opportunity and numerous networking contacts!

We're excited to team up with you on this top-quality workshop to further strengthen and grow our state's agri/eco-tourism industry and rural business economy. Please review the enclosed sponsorship form and indicate your commitment level for this year. We know you'll find it to be one of the most valuable networking opportunities that you and workshop attendees will experience in 2016.

Thank you for your support!
