"ECOTOURISM ON THE PRAIRIE" NEWSLETTER

The **Great Plains Ecotourism Coalition** at the Center for Great Plains Studies is teaming up with the **Nebraska Tourism Commission** to start a monthly newsletter on nature-based tourism in the Great Plains that we're calling "Ecotourism on the Prairie."

Our goal is to make the newsletter entertaining, informative, and fun — stories worth reading. Each month we'll share stories about ecotourism, photos, nature facts, and more. We hope to share our passion for ecotourism with you and explore its role in the Great Plains. Subscribe to the [newsletter](#) and check out the archive of past issues.
