

BUFFETT, BIRDS AND BEEF: THE GREAT PLATTE RIVER ROAD SAMPLE TOUR ITINERARY

We start our tour in Omaha, Nebraska's largest city and home to Warren Buffett (the Oracle of Omaha), where we'll visit many of this business magnate, investor, and philanthropist's favorite points of interest and hangouts. The birding part of our tour takes us to Lincoln and then the Central Flyway where we come face-to-face with more than 600,000 sandhill cranes who roost in this part of the Platte River during their annual spring migration. A guided sunset tour and sunrise tour give us two different perspectives of these unique birds, also known as living dinosaurs.

We spend time in southwest Nebraska where we watch up-close as male prairie chickens compete for dominance and mating rights with female hens on a *lek* in the open prairie. Their unique booming call and stomping makes it worth getting up before sunrise to see. As far as the beef portion of the tour goes, we venture to North Platte to learn where our beef comes from and how it's processed, followed by a full meal consisting of five cuts of delicious Nebraska beef.
