DAY 1

NORTH PLATTE—HOME OF BUFFALO BILL CODY

After breakfast, we begin our time in North Platte at **Lincoln County Historical Museum** where we tour the facility and learn more about the North Platte Canteen, one of the most heartwarming stories to come out of the war years. Over the course of WWII, volunteers from around North Platte fed, comforted, and supported over six million servicemen and women as they traveled through on their way to the front. This experience offers a look into one of the greatest volunteer efforts the U.S.A has ever seen. The tour includes historical museum exhibits, a canteen style meal, and an informative presentation of the WWII Canteen from a local historian.

Lunch will be "Here's the Beef" tour at the West Central Research & Extension Office. Educators and a chef from a local restaurant will be on hand to explain the steps needed to raise and process beef from pasture to the table. Afterward, we can feast on a delicious Nebraska beef lunch.

Afterward, we climb aboard Union Pacific's steam locomotive at **Cody Park Railroad Museum** where we also can see UP's #6922, the largest diesel locomotive ever made, peek inside the historic

Hershey Depot, and climb aboard a mail car and caboose to view historic railroad memorabilia. Next, we head to **Fort Cody Trading Post**, one of Nebraska's most eclectic gift and souvenir shops. Do not miss the working 20,000-piece miniature replica of Buffalo Bill's Wild West Show and tour Old West exhibits in the newly renovated museum.

Afterward, we take a short drive south of town where we can enjoy a leisurely stroll through salvaged and repurposed historic grain bins to forage out that perfect antique treasure at **Grain Bin Antique Town**

Next on our tour is the **Golden Spike Tower**. Rising 8-stories above the tracks, the tower offers a panoramic view of Union Pacific's Bailey Yard, the largest classification rail yard in the world, from an open-air platform or enclosed viewing area. Over 10,000 rail cars pass through Bailey Yard each day, and you can see it all from your bird's eye view atop the tower.

Now imagine having a private catered meal served on the 8th floor as the sun sets over the railyard. This is truly an experience you don't want to miss.

We will end our day in North Platte with "Wine with the Stars" sipping local wines at **Feather River**

Vineyard under the wide-open Nebraska skies. A local astronomer will be onsite with telescopes to highlight the celestial bodies you are viewing in the night sky. *Overnight: North Platte*

DAY 2

“THE TOWN TOO TOUGH FOR TEXANS”

Start the day off right with a special treat of an ice cream donut sandwich, waffle sundae, or other tasty concoction at **Double Dips Ice Creamery**, located in North Platte’s historic Canteen District before making our way to Ogallala, once known as the “town too tough for Texans” where our first stop will be north of town at Lake McConaughy, Nebraska’s largest reservoir at more than 22 miles long. We will visit the state’s first water center, **Lake McConaughy Visitor/Water Interpretive Center** to learn more about the importance of water to the state’s past, present, and future.

A drive across the dam and photo opportunities rounds out our water experience before heading back to Ogallala for an authentic western style lunch in the Crystal Palace Saloon at **Front Street and Cowboy Museum**, a recreation of an 1880s Old West main street. From June to mid-August, do not miss the Crystal Palace Revue, a rootin’ tootin’ western shootout, complete with cowboys and showgirls.

Across the street is the **Petrified Wood Gallery** where we can explore Native American artifacts and delicate works of art and carvings formed from pieces of ancient, petrified wood from around the world. Our final stop in Ogallala is to catch a glimpse into how Ogallala’s upper-class residents lived at **Mansion on the Hill**, a fully furnished Victorian-style mansion.

As we head back to North Platte, our dinner stop will be at **Ole’s Big Game Steakhouse** in Paxton where we enjoy a delicious Nebraska dinner amidst more than 200 big game trophies and mementos from Ole’s worldwide safaris. *Overnight: North Platte*
