

## 2019 HCI Peer Group Conference

*Connecting buyers and sellers in the travel profession*

Sarpy County, Nebraska is the host of the 2019 Heritage Clubs International Peer Group conference being held at the Embassy Suites Hotel La Vista, March 11-15. Bank Club Directors from around the country will gather with travel professionals to plan future group travel experiences, learn from peers about how to run a successful travel club, network and more.

The annual Heritage Clubs International Peer Group is your best opportunity to connect with Bank Club Directors who plan several trips per year involving thousands of travelers. They are eager to hear from travel professionals about destination options. There is no better opportunity to network with Bank Club Directors who control millions of travel dollars.

Travel Partners are guaranteed to meet with every Bank Club Director at the meeting. While the meeting provides on-topic education for our Bank Club Directors, we have designed the event to be of maximum benefit to our partners.

There is still time to register and participate in this one-of-a-kind event.

The meeting is open to members only, but you can save \$100 off the regular annual dues by joining by the end of October 2018. Your membership will only cost \$250 and will be good until January 2020. Visit the HCI website, or contact Tina Goeske, HCI Associate Director at 952-835-6543 to get a membership application or to learn more.
